Interprofessional Education
Building a Framework for Collaboration

AGENDA

May 21-23, 2024
Zoom and IPEC Connect
ASYNCHRONOUS PREWORK
TO COMPLETE PRIOR TO MAY 21, 2024

Log into IPEC Connect to view module and complete related pre-readings.

INTRODUCTION MODULE: Success in this Institute

Shelley McKearney, BS, Associate Director, Interprofessional Education Collaborative (IPEC)/American Association of Colleges of Nursing (AACN); Secretary, Executive Board of Directors, IPEC

This learning module will explain the IPEC Institute format and provide a demo on the Institute websites, pre-conference assignments, and materials.

Learning Objectives:
- Discuss the Institute program, purpose, and design.
- Utilize the IPEC Connect platform and Institute pre-surveys and assignments.

Registered attendees will receive Zoom details to join the live virtual activities below.

DAY 1 • TUESDAY, MAY 21, 2024

10:50 - 11:00 AM ET  
PREP FOR SYNCHRONOUS E-LEARNING: Setting up for Success

Early login to ensure you are connected.

11:00 - 11:10 AM ET  
WELCOME REMARKS: Greetings from IPEC

Shelley McKeamey, BS, Associate Director, Interprofessional Education Collaborative (IPEC)/American Association of Colleges of Nursing (AACN); Secretary, Executive Board of Directors, IPEC

11:10 AM - 12:00 PM ET  
OPENING PLENARY: Advancing IPE for Collaborative Practice

Alison J. Whelan, MD, FACP, Chair, Executive Board of Directors, IPEC; Chief Academic Officer, Association of American Medical Colleges (AAMC)
Andrew T. Maccabe, DVM, MPH, JD, Member-At-Large, Executive Board of Directors, IPEC; Chief Executive Officer, American Association of Veterinary Medical Colleges (AAVMC)

Join IPEC leaders for a live discussion about the Interprofessional Education Collaborative (IPEC), the Core Competencies, and the importance of interprofessional education for collaborative practice (IPECP).

Learning Objectives:
- Describe the background, context, and history of IPEC.
- Discuss the IPEC competencies and the benefits of creating safe, high-quality, accessible, person-centered care and improved population health outcomes.
- Summarize how IPE generates and improves positive outcomes for members of the health team, patients, and communities.

12:00 - 12:30 PM ET  
ONBOARDING: Welcome to the Institute

Jeffery Stewart, DDS, MS, Consultant and Former Senior Vice President for Interprofessional and Global Collaboration, American Dental Education Association (ADEA); Member, Planning and Advisory Committee, IPEC; Program Co-Chair, May 2024 IPEC Institute

Cassandra Godzik, PhD, APRN, PMHNP-BC, CNE, Director of Nursing Education Initiatives, American Association of Colleges of Nursing (AACN); Member, Planning and Advisory Committee, IPEC; Program Co-Chair, May 2024 IPEC Institute
Join for a review on how the IPEC Institute will benefit you and your educational practices and a demo on Institute websites and materials.

Learning Objectives:
- Review the Institute program, purpose, and design.
- Demonstrate how to benefit from the Institute.

12:30 - 1:30 PM ET

**KEYNOTE ADDRESS: The Evolving Importance of Interprofessional Education**

Heidi Honegger Rogers, DNP, FNP-C, APHN-BC, FNAP, Director, The University of New Mexico (UNM) Health Sciences Center Interprofessional Education Program; Associate Professor, UNM College of Nursing; Secretary, Board of Directors, Academy of Integrative Health & Medicine (AiHM); Member, Planetary Health Task Force, American Holistic Nurses Association (AHNA)

Join to have your questions answered about why IPE and collaborative practice are vital to the improvement of health care and patient outcomes.

Learning Objectives:
- Explain changes to teams, education and practice considering the current state of health and social care.
- Defend the need for alignment between IPE and collaborative healthcare.
- Recognize competency-based practices for teams and emerging health professionals.

1:30 - 2:00 PM ET

**BREAK**

2:00 - 2:30 PM ET

**SPOTLIGHT ON: Integrating the Revised 2023 IPEC Core Competencies**

Angela S. Stewart, PharmD, BCPS, FWSPA, Executive Director, Northwest Interprofessional Health Collaborative, Pacific Northwest University of Health Sciences

Learn about one institution’s experience building out a core IPE curriculum with the revised IPEC competencies as a foundation.

Learning Objectives:
- Express one institution’s plans to incorporate the new IPEC competencies into their IPE program.

2:30 - 3:15 PM ET

**THEORY BURST #1: Planning for Successful IPE and Program Evaluation**

John Tegzes, MA, VMD, Dipl. ABVT, Interim Dean & Professor, College of Veterinary Medicine, Western University of Health Sciences

Join to have your questions answered about planning for successful IPE and program evaluation.

Learning Objectives:
- Describe promising practices in IPECP curriculum planning and program evaluation design.
- Distinguish the audience targeted by the IPECP project and audience factors according to level of learning, practice experience, and learning environment.
- Categorize resources and commitments necessary to facilitate successful IPECP at one’s institution.

3:15 - 3:30 PM ET

**SPOTLIGHT ON: Institutional Characteristics for High-Quality Programmatic IPE**

Meg Zomorodi, PhD, RN, ANEF, FAAN, Associate Provost for Interprofessional Health Initiatives and Director, Office of Interprofessional Education and Practice, University of North Carolina (UNC) at Chapel Hill; Professor, UNC School of Nursing

Learn about one institution’s plans to use the following tool to help enhance an IPECP program.
- The **IPEC Institutional Assessment Instrument** is designed to identify institutional characteristics associated with successful implementation of high-quality programmatic IPE and can help identify strengths and deficits at an institution to guide planning efforts.
Learning Objectives:
• Express one institution’s plans with the IPEC Institutional Assessment Instrument to inform internal planning and quality improvement.

3:30 - 4:15 PM ET
TEAM MEETING/STRATEGY SESSION #1: Planning
Join your teammates in a virtual room to develop and enhance your curricular project plan. IPEC leaders will be available to answer questions and enter the room as needed for coaching.

Learning Objectives:
• Examine your goals for attending the Institute, as well as your areas of strength and opportunities for improvement.
• Confirm how your IPECP project will facilitate curricular change.
• Develop an action plan for your IPECP project, including its evaluation.

4:15 - 4:30 PM ET AFTERNOON DEBRIEF: Daily Summary and Assessment
Jeffery Stewart, DDS, MS

DAY 2 · WEDNESDAY, MAY 22, 2024

11:00 - 11:05 AM ET
DAILY HUDDLE: Assessment Results and Schedule Overview
Mark R. Speicher, PhD, MHA, Senior Vice President of Research, Learning and Innovation, American Association of Colleges of Osteopathic Medicine (AACOM); Member, Planning and Advisory Committee, IPEC

11:05 AM - 12:05 PM ET
PANEL DISCUSSION: Keys to Sustainable IPE
Kari Firestone, PhD, RN, APRN-CNS, Associate Professor and Interprofessional Care Access Network (I-CAN) Program Director, School of Nursing, Oregon Health & Science University
Jessica S. Kruger, PhD, MCHES, Director, Teaching Innovation and Excellence, School of Public Health and Health Professions, University at Buffalo (UB); Clinical Associate Professor, Department of Community Health and Health Behavior, UB School of Public Health and Health Professions
Robert P. Pack, PhD, MPH, Executive Vice Provost, East Tennessee State University (ETSU); Director, ETSU/NORC Rural Health Equity Research Center; Director, ETSU Addiction Science Center; Co-Director, Opioids Research Consortium of Central Appalachia (ORCCA); Professor of Community and Behavioral Health, ETSU College of Public Health
Halaevalu F. Ofahengaue Vakalahi, MSW, PhD, Member-At-Large, Executive Board of Directors, IPEC; President and Chief Executive Officer, Council on Social Work Education (CSWE); Hartford Faculty Scholar, Fulbright Senior Scholar, CSWE Minority Fellow

Discover interprofessional efforts to impact community health, and come hear planning strategies, lessons learned, and encouraging takeaways by IPEC/COF Excellence in IPE Collaboration Award recipients. Panelists will demonstrate how their programs used innovative methods to tackle a variety of challenges and needs related to health outcomes and sustainability.

Learning Objectives:
• Compare innovative IPECP initiatives, partnerships, and research.
• Review “lessons learned” in developing, implementing, and assessing IPE and community health needs to ensure sustainability.

12:05 - 1:00 PM ET
COHORT ACTIVITY: Building Pathways
Join your colleagues and IPEC leaders to review progress to date and share lessons and questions related to project planning.

Learning Objectives:
• Identify other colleagues participating in the Institute.
• Recognize aspects of IPECP projects that may be similar and/or relevant to one’s interests.
1:00 - 1:30 PM ET

BREAK

1:30 - 2:15 PM ET

THEORY BURST #2: Building Learning Upon IPEC’s Core Competencies

Gerard E. Carrino, PhD, MPH, Dean, Julia Jones Matthews School of Population and Public Health, Texas Tech University Health Sciences Center

Join to have your questions answered about building learning upon IPEC Core Competencies.

Learning Objectives:
- List the IPEC Core Competencies for Interprofessional Collaborative Practice.
- Explore promising practices in IPECP curriculum planning and design for use in one’s program.
- Examine faculty resources and practices for better integrating the IPEC Core Competencies into curricula.

2:15 - 3:00 PM ET

TEAM MEETING/STRATEGY SESSION #2: Building

Join your teammates in a virtual room to develop and enhance your curricular project plan. IPEC leaders will be available to answer questions and enter the room as needed for coaching.

Learning Objectives:
- Organize IPECP resources to build your project.
- Indicate potential learning experiences around the IPEC Core Competencies that are congruent with learner needs and institutional capacity.

3:00 - 3:45 PM ET

THEORY BURST #3: Assessing IPE Learners

Anthony Breitbach, PhD, ATC, FASAHP, FNAP, Professor and Vice Dean, Doisy College of Health Sciences, Saint Louis University

Join to discover specific assessment methods, tools, and strategies that can be used to evaluate the impact of IPECP activities and programs on learning.

Learning Objectives:
- Identify key measurable behaviors and outcome competencies for learners associated with the IPEC core competencies.
- Classify IPE assessment tools and resources.
- Compare methods for capturing and analyzing outcomes data regarding learner assessments that will ensure the ability to engage in scholarly activity and dissemination of results.

3:45 - 4:10 PM ET

SPOTLIGHT ON: Design Guidelines for Assessing Learners’ Interprofessional Competence

John H. Nishimoto, OD, MBA, FAAO, Senior Associate Dean for Professional Affairs and Clinical Education, Marshall B. Ketchum University, Southern California College of Optometry; Association of Schools and Colleges of Optometry Liaison and Chair, The Interprofessional Professionalism Collaborative

Learn about the following tool to help enhance an IPECP program.

- The Interprofessional Professionalism Assessment (IPA) Instrument is designed to evaluate an entry-level health professional’s demonstration of professionalism when interacting with members of other health professions.

Learning Objectives:
- Explain the multi-phase process leading to the creation and testing of the IPA Instrument.

4:10 - 4:15 PM ET

AFTERNOON DEBRIEF: Daily Summary and Assessment

Cassandra Godzik, PhD, APRN, PMHNP-BC, CNE
TEAM MEETING/STRATEGY SESSION #3: Assessing

Join your teammates in a virtual room to develop and enhance your curricular project plan. IPEC leaders will be available to answer questions and enter the room as needed for coaching.

Learning Objectives:
- Outline an assessment plan for your IPECP learners.
- Recognize appropriate, existing learner assessment tools for use in your project.

DAILY HUDDLE: Assessment Results and Schedule Overview

Jeffery Stewart, DDS, MS

THEORY BURST #4: Designing Effective Learning Experiences

Tilicia L. Mayo-Gamble, PhD, MPH, MA, CHES®, Associate Professor, Community Health, Provost Faculty Research Fellow, Department of Health Policy and Community Health, and Affiliate Faculty, Center for Public Health Practice and Research, Georgia Southern University

Jane Nester, DrPH, Executive Director, Magnolia Coastlands Area Health Education Center (AHEC)

Join for tips and promising practices on designing engaging, effective IPECP learning experiences.

Learning Objectives:
- Analyze learning experiences that match IPECP goals for the program and practice objectives for learners.
- Detail potential interprofessional activities where strategic collection of data that align with program-mediated changes in institutional culture, environment, and health outcome.

TEAM MEETING/STRATEGY SESSION #4: Designing

Join your teammates in a virtual room to develop and enhance your curricular project plan. IPEC leaders will be available to answer questions and enter the room as needed for coaching.

Learning Objectives:
- Label active learning experiences by applying effective teaching principles to curriculum design that places IPECP learners in the forefront.
- Determine IPECP strategies at one’s home institution(s) where design and outcomes data could advance IPECP objectives and improve program efficacy.

BREAK

CLOSING PANEL: Collaborating in Idaho: A Unique Public-Private Interprofessional Partnership

Luke H. Mortensen, PhD, FAHA, FNAOME, Associate Dean of Educational Development, Innovation and Diversity, Idaho College of Osteopathic Medicine

Rodney Bates, DO, FACOI, Primary Care Chair and Associate Professor of Internal Medicine, Idaho College of Osteopathic Medicine

Brooke Buffat, PharmD, BCPS, Clinical Associate Professor and Director of Interprofessional Education, Idaho State University

Christopher T. Owens, PharmD, MPH, Associate Vice President, Kasiska Division of Health Sciences, Idaho State University

Join to hear ideas and insights for initiating, enhancing, and sustaining IPECP efforts at your institution.

Learning Objectives:
- Explain the development and implementation of an IPECP partnership model among different institutions.
• Illustrate successes and challenges in integrating IPE into health professions curricula.
• Examine university-wide mechanisms to sustain institutional excellence in IPE.

2:00 - 2:45 PM ET

TEAM MEETING/STRATEGY SESSION #5: Communicating

Join your teammates in a virtual room to develop and enhance your curricular project plan. IPEC leaders will be available to answer questions and enter the room as needed for coaching.

Learning Objectives:
• Communicate the value of your intended IPECP project/curricula/initiative.
• Interpret grassroots aspects of partner relationships that support reaching desired IPECP outcomes.

2:45 - 3:15 PM ET

COHORT ACTIVITY: Presenting/Practicing/Feedback IPE Elevator Pitches

Shelley McKearney

Join your cohort colleagues in sharing team elevation or pitches about your educational program or curricula.

Learning Objectives:
• Articulate IPECP needs and intended health and/or system outcomes for one’s project in a short elevator pitch.
• Apply approaches to giving and receiving effective feedback.

3:15 - 3:30 PM ET

FINAL DEBRIEF: Summary of Phase I and Tools for Your IPE Journey

Shelley McKearney

This closing session will review lessons learned, IPECP tools and resources, and next steps for Phase II.

Learning Objectives:
• Cite available resources and offerings to strengthen your IPECP projects and programs.
• Describe the process and goals required for Phase II certification.
