

INTERPROFESSIONAL EDUCATION COLLABORATIVE

2024 POSTER FAIR

POSTER ROOMS

NOVEMBER 21, 2024 | 3:00-5:00 P.M. ET

1

COMPLEX CARE

A

Reducing Polypharmacy in Older Adults through Interprofessional Collaboration

PATRICIA MURRAY

Massachusetts College of Pharmacy and Health Sciences

B

An Analysis of Pharmacy and Occupational Therapy Interprofessional Post-Stroke Functional Deficit Management: The Elderly Workshop

DANA WASHBURN

University of Wisconsin-Milwaukee

C

Connecting Disciplines: Dermatologists Discuss Skin Cancer Screening in Physical Therapy

MICHAEL ROBINSON

Howard University

D

A Scoping Review of Interprofessional Approaches in Dementia Care for Patients and Caregivers

NOORPREET KAUR

University of Texas Health Science Center at San Antonio

E

"Coffee without Pain": IPEC-Care Program for Chronic Pain

FERNANDA MAYER

Pontifícia Universidade Católica do Paraná

2

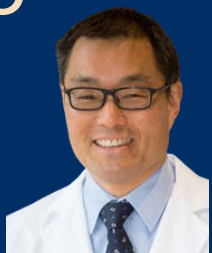

DESIGN AND ASSESSMENT

A

Interprofessional Professionalism: Assessment that Guides Transition From Student to Professional to Interprofessional Team Member

JOHN NISHIMOTO

Marshall B. Ketchum University

B

Loading.....
C-ICE 2.0

LINDSAY IVERSON

Creighton University

C

Use of the Interprofessional Collaborative's Interprofessional Professionalism Assessment: A National Survey

LORETTA NUNEZ

American Speech-Language-Hearing Association

D

Integrating New Interprofessional Clinical Experiences for SLP and OT Students into an Existing Therapeutic Program for Preschoolers

PATTI CAUDILL

Towson University

E

IPE Curriculum Evolution at a School of Pharmacy Not Affiliated with an Academic Health Science Center

AMANDA BROWN

Chapman University

F

Enhanced Curricular Mapping to Support Ways of Knowing, Learning, and Leading Together for Patient-Centred Care

ANDREIA BRUNO-TOME

University of Melbourne

3 DIVERSITY, HEALTH EQUITY, INCLUSION

A

Evaluating
Health Professional
Student
Perspectives of an
Interprofessional
Education (IPE)
Event on Health
Equity

YULIA
MURRAY

Northern Arizona
University

B

Design &
Implementation of
an
Interprofessional
Care Clinic: The
H.E.A.L. U.M. Clinic

DEBORAH MILLER
YOUNG

University
of Maryland

C

Confronting
Implicit Bias:
CUNY Tackles
Health Equity in
Interprofessional
Education

PATRICIA
BOYCE

City University
of New York

D

A Study of Cultural
Competence &
IPEC
Competencies of
Values & Ethics in
a SRFC

YOVANNA
POMARICO

Rosalind Franklin
University of
Medicine and
Science

E

Virtual Simulated
Patient: Social
Determinants of
Health and
Vulnerable
Populations

DAWN
JOOSTEN-
HAGYE

University
of Southern
California

4 ETHICS

A

Evaluation of Interprofessional Education Elements in a Combined Pharmacy and PA Student Ethics Course

**KYRIE ELEYSON
BADEN**

Cedarville
University

B

Bridging Ethics and Practice: Applying Codes of Ethics to Patient Scenarios in Interprofessional Education

**SAMUEL
BETHEL**

University of
South Alabama

C

Interprofessional Ethics Consult Simulation: Meeting Ethics Challenges in Healthcare

**ELIZABETH R.
MCANULTY**

Springfield
College

D

Brave Space Discussion: An Interprofessional Collaborative

**NICOLE
ACKLEY**

St.
Bonaventure
University

E

Developing IPE competencies by Navigating Ethical Dilemmas as an Interprofessional Team

**DONGMI
KIM**

Fairleigh
Dickinson
University

F

Ethical impact: Health profession student perceptions of professional codes' impact on collaborative patient care

**CHRISTINE
MCCONNELL**

Wingate
University

5

FACILITATORS • LEADERSHIP

A

Training Senior
Learners in IPE
Facilitation:
Preparing the Next
Generation of IPE
Leaders

ALICIA
WILLIAMS

East Tennessee
State University

B

Training
Interprofessional
Educators: A
Hybrid Certificate
Program for
Upper-Level
Health Profession
Trainees

ALBERTO
SOBRERO

Washington
University in
St. Louis

C

Perspectives on
Interprofessional
Education (IPE):
Attitudes and
Confidence for
College Change -
A Qualitative
Analysis

AMY
MOORE

Southeast
Missouri State
University

D

Designing an
Innovative
Interprofessional
Series on Servant
Leadership in
Healthcare with
Digital Badging

MARIETTE
SOURIAL

Palm Beach
Atlantic
University

E

On Becoming an
Interprofessional
Competent
Clinician

DUNIA
GARCIA

Hunter
College

6

INNOVATIVE

A

Unlocking
Potential: Visual
Thinking
Strategies for
Interprofessional
Learning and
Development

**ANN
CURTIS**

Maine College
of Health
Professions

B

Interprofessional
Public Service
Announcement:
Successes from a
Creative IPE
Team
Assignment

**JASMINE
YUMORI**

Western
University of
Health Sciences

C

Fostering
Interprofessional
Collaboration
Through a
Replicable,
Interdisciplinary,
Theatre in the
Round Healthcare
Education
Simulation

**CORTNEY
MURPHY**

Cedar Crest
College

D

Escaping Error:
Simulation
Approaches for
Teaching QI and
Patient Safety to
Interprofessional
Student Teams

**SHELLEY
RICHARDS**

Virginia
Commonwealth
University

E

Soaring Ahead:
The Evolution of
Interprofessional
Education
Between Aviation
and Health
Sciences

**ARVIE
VITENTE**

Lewis
University

F

Interprofessional
Escape Room
Exposes High
School Students to
Health
Professional Roles
and
Responsibilities

**BRIYANA
MORRELL**

University of
Indianapolis

7

STUDENT-LED

A

Empowering
Future Healthcare
Leaders: A
Student-Led Grand
Rounds Initiative
to Enhance
Interprofessional
Collaboration

KIM
ADCOCK

University of
Mississippi
Medical Center

B

Student
Rankings of the
Perceived Value
and Relevance of
the IPEC Core
Competencies

JILLIAN
RIVARD

Western
University of
Health Sciences

C

Interprofessional
Education and
Collaboration
Activities with
High School

KATIE
ZANDER

Creighton
University

D

Enhancing
Clinical Outcomes:
OT and SLP
Student
Collaboration at
Preschool
Language Camp

HOPE
MCCARROLL

Texas Woman's
University

E

Assessment of
Mortality Priming
on Perceptions of
Cooperation and
Value in Medical
Interprofessional
Patient Care

MARIANA
DAJAC

Alabama College
of Osteopathic
Medicine

8

PARTNERSHIPS • COLLABORATIVE PRACTICE

• MULTI-INSTITUTIONAL IPE

A

From Crosstown
Rivals to Collaborators:
A multi-institutional
solution to early-learner
interprofessional
education and team-
based care

BRIAN MA

University of
Southern California

B

Building
Communities:
The Tri-College
Interprofessional
Education Experience

**MINDY
OXENFORD**

Clarke University

C

Building
Interprofessional
Competencies Through
a Collaborative
Prescribing Activity
With Osteopathic,
Pharmacy, and
Physician Assistant
Students

**VERONICA
VERNON**

Butler University

D

Expanding an
IPE Clinical Learning
Experience with
Medical and Pharmacy
Students to
Meet Accreditation
Requirements

DAVID BUTLER

Albany College
of Pharmacy and
Health Sciences

9

PUBLIC HEALTH • DISASTER AND EMERGENCY PREPAREDNESS

A

A Disaster Preparedness Simulation to Improve Interprofessional Competency in Students Across Multiple Healthcare Programs

**ERIC
DIERKES**

University of
Charleston

B

Needs Assessment of Infection Prevention and Control Training for Emergency Responders

**LOGAN
SHARP**

University of
South Florida

C

Opioid Use Disorder: An Interprofessional Approach to Educating Future Pharmacists about this Public Health Challenge

**AMANDA
MORRILL**

Massachusetts
College of
Pharmacy and
Health Sciences

D

Interprofessional Suicidal Ideation Telehealth Simulation: Equipping the Future Workforce

**MICHELE
TALLEY**

University of
Alabama at
Birmingham

E

Interdisciplinary Collaborative Analysis of Historical, Social, and Policy Dimensions of Environmental Events for Health Promotion

**SHAINA
SCHWARTZ**

High Point
University

10 SIMULATION-ENHANCED IPE (SIM-IPE)

A

**Clinical Cadavers:
Procedural
Simulation in the
Anatomy Lab**

**BENJAMIN TAN-
JOHNSON**

Emory University

B

**Physical Therapist
Assistant and
Occupational
Therapy Assistant
Student
Interprofessional
Collaboration and
Educational
Simulation
Experience**

**SANDRA
RIBEIRO**

CUNY LaGuardia
Community
College

C

**Implementation
of an
Interprofessional
Super Simulation
Day with
Optometry,
Physician Assistant,
and Pharmacy
Students**

**ASHLEY
DEEMER**

Marshall B.
Ketchum
University

D

**Building
Teamwork
Through
Situational
Learning**

**CAROL
MOTYCKA**

University
of Florida

E

**Enhancing
Emotional Safety
through
Interprofessional
Simulation:
Evaluating Nursing
and Child Life
Students in Family-
Centered Care
Scenarios**

**CARIN
ADAMS**

Texas Woman's
University

11 SPECIAL POPULATIONS

A

Student Perceptions on Disability following Attendance of an Interprofessional Event with Individuals with Disability

MONIKA ROBINSON
Midwestern University

B

Weight Bias and Stigma in Healthcare: Description of An Innovative Interprofessional Education Workshop

JESSICA BEAUDOIN
University of the Pacific

C

Best Practices and Lessons Learned over Longitudinal Violence Across the Lifespan Interprofessional Courses

KIMBERLEY BEGLEY
Creighton University

D

Supporting and Empowering Neurodiverse Children Everyday (SENCE): Interprofessional Educational Opportunities for SLPs and OT Students

SARAH FRIEL
Massachusetts General Hospital
Institute of Health Professions
