

2025 POSTER FAIR PRESENTATIONS

FROM IDEAS TO IMPACT:
INNOVATION IN INTERPROFESSIONAL
EDUCATION & PRACTICE

November 20, 2025
3:00 - 5:00 P.M. ET

2025 POSTER FAIR ROOMS

**FROM IDEAS TO IMPACT:
INNOVATION IN
INTERPROFESSIONAL
EDUCATION & PRACTICE**

**November 20, 2025
3:00 - 5:00 P.M. ET**

A STUDENT-LED ACTIVITIES & PERSPECTIVES

1

*7th Generation
Operation:
Expanding Pathways
to Health
Professions Through
Community
Engagement and
Interprofessional
Collaboration*

**MAEANNA
MERRILL**

University at
Buffalo

2

*Interprofessional
Public Service
Announcement:
Successes from a
Creative IPE Team
Assignment*

**VIVIAN
TAT**

The University
of Texas
Medical Branch

3

*Fostering
Interprofessional
Collaboration
Through a
Replicable,
Interdisciplinary,
Theatre in the Round
Healthcare
Education Simulation*

**MAWADA AL
FAISAL**

Baylor
College of
Medicine

4

*Escaping Error:
Simulation
Approaches for
Teaching QI and
Patient Safety to
Interprofessional
Student Teams*

**JUDY
FONT**

University of
South Florida

5

*Soaring Ahead: The
Evolution of
Interprofessional
Education Between
Aviation and Health
Sciences*

**ALEXA
DEREGNAUCOURT**

University of
Cincinnati

6

*Interprofessional
Escape Room
Exposes High School
Students to Health
Professional Roles
and Responsibilities*

**ADELINE
WHALEY**

Northeast Ohio
Medical
University

B INTERPROFESSIONAL FACULTY DEVELOPMENT

1

Where East Meets West: Establishing a Center for Interprofessional Education

KARINA MADRIGAL

Southern California University of Health Sciences

2

A scoping review of educational interventions for clinical educators facilitating interprofessional student placements

NIKKI COOKE

Flinders University

3

Evaluation of the impact of a student and resident interprofessional teaching certificate program

HALEY JOHNSON

University of Health Sciences and Pharmacy

4

Empowering Faculty for IPE: Integrating Simulation, AI, and Collaborative Case Design

TAYLOR YOWAN

Ithaca College

5

Interprofessional Education in Action: Embedding the IHI Certificate Across Public Health and Healthcare Administration Curricula

KIM SANDERS-DAVEY

Samford University

C IPE CURRICULUM DEVELOPMENT & STRUCTURE

1

*Team Red Hawk:
Development and
Implementation of
Interprofessional
Education
Experiences for
Students of Health
Professions*

**LUIS
TORRES**

Montclair
State
University

2

*Interprofessional
Insights: Optimizing
cancer epidemiology
nutritional research
through the lens of
clinical dietetics
collaborative
feedback*

**RANDALYNN
HAJEK**

Grand Valley
State
University

3

*Impact of Structured
IPE Curriculum on
Student
Collaboration Skills,
Self and Team
Efficacy*

**ANTHONY
BREITBACH**

Saint
Louis
University

4

*Interprofessional
Workshop on How to
Engage Responsibly
with Artificial
Intelligence Tools*

**MICHAEL
PERRY**

Duquesne
University

5

*Fostering
Interprofessional
Learning Through
Multi-Institutional
Partnerships:
Outcomes of a
Student Workshop*

**HEIDI
CHEERMAN**

Northeastern
University

D IPE CURRICULUM & SKILL-BUILDING

1

*Hands-On Training:
Non-Pharmacological
Strategies for
Rheumatoid Arthritis
For Student
Pharmacists Involving
Rehab Disciplines*

**MARINA
GALVEZ-PERALTA**

West Virginia
University

2

*Enhancing Maternal
Team Coordination:
Integrating Doulas into
an Interprofessional
Education
Collaborative Program*

**NINA
FAVOR**

University of
Detroit Mercy

3

*Nourishing
Collaboration: Culinary
and Clinical Skill-
Building Through
Interprofessional
Education*

**ELIZABETH
MACQUILLAN**

Grand Valley
State University

4

*Enhancing
Interprofessional
Collaboration Between
Nurse Practitioner and
Physician Assistant
Students through
Structured IPE
Activities*

**HUMBERTO
REINOSO**

Mercer
University

E INTERPROFESSIONAL TEAMWORK FOR ACCESSIBLE CARE

1

*Evaluating
Interprofessional
Team Performance
in Clinical
Encounters: Patient
Care Across
Different Races*

**YULIA
MURRAY**

Massachusetts
College of
Pharmacy and
Health Sciences

2

*Enhancing Rural
Health Access
through Integration
of Community
Health Workers into
Rural Outreach Clinic
Operations*

**BENJAMIN
SMITH**

University of
Nevada, Reno

3

*Learning by Serving:
An Interprofessional
Community Health
Education Initiative
With Graduate
Nursing and
Pharmacy Students*

**ALEXANDRA
HUBLEY**

Palm Beach
Atlantic
University

4

*Using
Interprofessional
Teams to Learn and
Apply Health
Literacy Skills*

**MELANIE
STONE**

The University
of Texas at
San Antonio

5

*Exploring the Role
of Social Drivers of
Health in
Interprofessional
Team-OSCEs:
Insights from
Diabetes Case
Simulations*

**NANCY
STERN**

Massachusetts
College of
Pharmacy and
Health Sciences

F

COMMUNITY & PERSON-CENTERED IPE

1

"[I] would've been at a deficit without my colleague": Thematic Analysis of Interprofessional Health-Equity Simulations

**PATRICIA
LEONCIO**

University of
Michigan

2

Advancing Cultural Competence and Interprofessionalism Through an Integrated Theoretical Framework

**QUENTIN
CONKLE**

Rosalind
Franklin
University of
Medicine and
Science

3

The Impact of Community-Based Interprofessional Collaboration on Preventing Diabetes Mellitus in age 50 and above

**JULIE
JOSEPH**

Texas
Woman's
University

4

Mediterranean Diet and Aging: Impacts on Muscle Strength and Functional Performance in Older Adults

**PETER
DUONG**

University of
St. Augustine for
Health Sciences

5

Innovating at Scale: Mitigating Logistical Challenges in Interprofessional Education Through Community Action Plans

**STEPHANIE
AU**

University of
California,
Irvine

1

Development of an Interprofessional Educational Module for Medical Emergencies Management for Undergraduate Healthcare Students

**SWET
NISHA**

ESIC Medical
College and
Hospital

2

Interprofessional Education in Times of War: Navigating Uncertainty and Cultural Diversity

**TAL
HADAR**

Hadassah
Medical
Center

3

Empowering Indigenous Climate Knowledge through a Digital Repository for Environmental Wisdom in Rwanda

**BENJAMIN
HABINTWALI**

University
of Rwanda

4

Barriers and facilitators to the implementation of pharmacotherapy focus interprofessional education in four European institutes

**TUAN ANH
PHAN**

Erasmus
Medical
Center

5

Integration of interprofessional education in a multiprofessional educational unit in Mexico

**SANDRA
MUÑOZ**

Universidad
Nacional
Autónoma De
México

1

*Beyond Silos:
Fostering
Collaborative
Practice*

**KATIE
CAMDEN**

Arkansas
State
University

2

*Development of an
IPE Simulation on
Malnutrition to
Bridge the Nutrition
Gap Across
Disciplines and
Curriculum*

**LINDSAY
TAYLOR**

Eastern
Michigan
University

3

*Influence of Patient
Insurance Status on
Interprofessional
Team Performance
in Simulated Clinical
Encounters*

RITA MORELLI

Massachusetts
College of
Pharmacy and
Health
Sciences

4

*SBAR Simulation
Helps Enhance
Communication
Between
Osteopathic Medical
Students and
Bachelor's Nursing
Students*

**LAURYN
SAN JUAN**

Marian
University

5

*The Effect of
Interprofessional
Education Simulation
between Physical
Therapists and
Nursing Students*

**ANDREW
BARTLETT**

California State
University
Northridge

I

SIMULATION: SYSTEMS & SOCIAL CONTEXTS

1

*Building Better Teams:
incorporating
simulation-based
training into
interprofessional
education*

**SUSIE
FACIO**

New Mexico
State
University

2

*Empathy in Action:
Student Insights
from the Community
Action Poverty
Simulation (CAPS)*

**ANTHONY
PELUSO**

West
Virginia
University

3

*Simulating
Interprofessional
Collaboration
Across Time and
Space: An
Asynchronous
Online Discussion
Board Approach*

**JULIANNA
LAU**

Boston
Children's
Hospital

4

*Using CUS Words
to Speak Up:
Interprofessional
Simulation Across
Three Health
Care Professions*

**TERRI
EASTMAN**

Geisel School
of Medicine at
Dartmouth

5

*Determining the
Effect of a Virtual
Interprofessional
Education
Experience on
Knowledge of
Health Profession
Students*

**JILL
BUGNER**

South
University

J

SIMULATION: PATIENT ENGAGEMENT

1

*Building Bridges, Not
Silos: Standardized
Patients in
Interprofessional
Health Education*

**AMANDA
PHOENIX**

Touro
University

2

*Development and
Assessment of a
Capstone IPE
Experience
Incorporating a
Simulated Patient
Representative*

JAIME FOUSHEE

Edward Via
College of
Osteopathic
Medicine,
Carolinas Campus

3

*Being Stroke
"SMART" through
Interprofessional
Education: Supporting
Multidisciplinary
Assessment, Recovery,
and Treatment*

**ANIKA
BURAC**

Northeastern
University

4

*Finding True North
Through Shared
Journeys: Travel
Consults as a Pathway
to Interprofessional
Education*

**PATRICIA
KLATT**

University of
Pittsburgh

PLEASE KEEP IN MIND...

01

MUTE

Keep your mic muted while presenters speak.

02

ASK

Type your questions in the chat or wait until the end.

03

DISCUSS

Questions will be addressed after all presentations.
